The Cerebral Palsy Association of Nassau County (CP Nassau) has been assisting individuals with disabilities since 1948. Today, close to 1,200 children and adults with developmental disabilities benefit from the quality programs and services offered that help all move forward to reach independence and their best life.

Programs include a school for children ages 3 - 21, an Adult Day Program, Residential Programs, and a state-of-the-art Medical and Primary Care Clinic.
